PERSONAL

ROY KING, formerly field engineer for the Tonopah Belmont, is back after spending the summer in Grass Valley and northern California where he is personally interested in several mining properties.

J. H. GOODMAN and wife, accompanied by Miss M. De Clivia, motored in from Arrowhead last evening. Mr. Goodman is president of the Arrowhead Consolidated, which is continuing to push development work.

MAX HERMAN, one of the pioneers of the Arrowhead district, is in town for the purpose of completing organization of the Arrowhead Inspiration company.

DAVE ASPLAND, general agent of the Tonopah & Tidewater at Goldfield, is visiting the patrons of his road in Tonopah.

MRS. MIKE SPRINGER and two children arrived today from Grass Valley where they spent the past month. A great sorrow has been robbed the girl of her mind, but it must have been some large purpose that has carried her mindless body through the winter snows. How she remembers who she was seeking and finds him one of the three drifters, and how the man seeking to forget is given something to remember make of "The Drifters" an original story of absorbing and unusual romance. It is a typical Kerrigan picture. Added to the feature will be a Ford Educational Weekly and a Mutt and Jeff comedy.

FRANK H. HUDSON, a mining man of Los Angeles, is spending a few days in Tonopah.

PETE ARNE, one of the lucky locators in the Birch Creek district, is here from Austin.

HOWARD N. SMITH, chief yeoman, and W. J. Yeager, chief gunner's mate, U. S. N., gave a talk to the boys and girls of the Tonopah high school yesterday afternoon, choosing for the subject "Our navy, its traditions and present needs." They also spoke of the monitor Tonopah and the superdreadnaught Nevada. Both officers will be at the Butler theatre this evening and leave tomorrow morning for Goldfield.

No country in Europe seems to be pleased with the senate's action, but no fellow who is broke likes to see something soft vanish right before his eyes.

From the way the democrats change sides on the cloture proposition it can be seen that it depends on whose ox is being clouted.

Attorney General Palmer may now be considered down and out as a democratic presidential candidate. J. H. Lewis is boosting him for the job in the newspapers.

Not every business has a show window. If you want to win more clients, use more printing and use the kind of printing that faithfully represents your business policy.

You save money and make money for your patrons. Do the same for yourself by using an economical high grade paper - Hammermill Bond - and good printing, both of which we can give you.

If you want printing service and economy - give us a trial.
